No.	Location	Flow m ³ /day	Application	Year	Remark
1	USA	1 to 5	MBR for small sewage treatment plant	2009	1000 units
2	Belgium	240	MBR for Rhine-cruiseship	2009	
3	Dubai	4000	MBR for municipal wastewater	2008	
4	Dubai	1000	MBR for municipal wastewater	2008	
5	USA	1 to 5	MBR for small sewage treatment plant	2008	40 units
6	Greece	90	MBR packaged plant for municipal wastewater	2008	
7	Germany	2	test unit for wastewater treatment on the ship	2008	
8	Canada	2	MBR for small sewage treatment plant	2008	10 units
9	Canada	30	MBR for municipal wastewater	2008	2 units
10	Mexico	1 to 5	MBR for small sewage treatment plant	2008	
11	Romania	1	MBR for small sewage treatment plant	2008	
12	Brazil	1 to 5	pilot plant for MBR	2008	10 units
13	Australia	1	test unit for greywater treatment plant	2008	
14	Germany, at div. locations	1	greywater recycling in private homes	2008	12 units
15	USA	3	small sewage treatment plant	2008	test plant for certification
16	Romania	1	MBR for small sewage treatment plant	2008	
17	Cyprus	1	greywater recycling in private homes	2008	2 units
18	Turkey	1	greywater recycling in private homes	2008	
19	Germany	2	greywater recycling treatment plant	2008	
20	Bahrain	250	MBR for municipal wastewater	2008	
21	Germany, at div. locations	1 to 2	greywater recycling in private homes	2008	
22	Czech Republic	1	test plant for municipal wastewater	2008	
23	Germany	1	test unit for greywater treatment plant	2008	
24	United Kingdom	500	MBR for municipal wastewater	2008	
25	Spain	5	pilot plant for MBR	2008	
26	Italy	200	MBR for municipal wastewater	2008	
27	Australia	1	greywater recycling in private homes	2008	216 units
28	Germany, at div. locations	1 to 2	MBR for small sewage treatment plant	2008	75 units
29	Spain	1 to 2	MBR for small sewage treatment plant	2008	9 units
30	Italy	4	dairy industry	2008	
31	Tunisia	1	research project at university	2008	
32	Spain	1500	luxury resort STP	2007
